Bachelors of Engineering in CSE
Chandigarh University,
Gharuan
2020-2024

Intermediate (AHSEC)
Lanka Junior College, Lanka
2018-2020

Matriculation (SEBA)
Buds English School, Lanka
2017-2018

LANGUAGE KNOWN

HINDI
ENGLISH
ASSAMESE / BENGALI

CAREER OBJECTIVE

To excel as a Full Stack Developer, constantly learning and growing while leveraging my problem-solving abilities, determination, and passion for making a meaningful impact in a student or entry-level role. Improving communication skills through active listening, practice, and guidance.

PROJECTS

Clash of Clans Clan Website May 2023

- Developed a responsive and dynamic website using React.js for your clan in Clash of Clans.
- Implemented features like communication channels and user authentication using Firebase.
- Integrated the Clash of Clans API to associate user IDs with Clash of Clans IDs.
- Utilized MongoDB to store and manage user data and clan-related information.

Cowin API Vaccination Slots Data Collection June 2021

- Utilized JavaScript to develop a project that collected data on vaccination slots availability in India.
- Integrated the Cowin API and implemented data retrieval and filtering techniques.
- Designed a user-friendly interface to input location details and display real-time vaccination slot information.
- Demonstrated proficiency in JavaScript programming, API integration, and problem-solving skills.

Calculator Application April 2020

- Developed a calculator application using HTML, CSS, and JavaScript.
- Created a user-friendly interface with buttons and input fields to perform basic arithmetic operations.
- Implemented JavaScript logic to handle user inputs and perform calculations accurately.
- Successfully showcased fundamental programming skills and problem-solving abilities.
- Demonstrated initiative and self-motivation by independently completing the project as a first-time endeavor.
- This project marked the initial step in my journey as a developer, showcasing my passion for coding and eagerness to learn and apply new technologies.
